Librarians among those honored for service to county

Two county library employees -- including one working at West Sacramento's Arthur F. Turner Branch Library on Merkley Ave. -- received awards at the county employee picnic Oct. 4 in Woodland.

County Librarian Mary L. Stephens, who manages the county's library system, was given the "Manager's Manager Award" by Roy Pederson, the Yolo County Administrative Officer.

ELISE McCALLAN

Among the other honors dispensed to county employees was the "Work Ethic Award" which went to five honorees.

One of those was Elise McCallan of the Turner Branch Library, described by the evaluation team as "dedicated to her work" and as a "quiet person, but tenacious, and serves as the bond that keeps things together at the West Sacramento Library Branch."

McCallan is a Library Assistant III for the county.

CHILDREN AT BRYTE ELEMENTARY SCHOOL (left) joined their nearby colleagues at Alyce Norman Elementary in welcoming a California Air National Guard helicopter (above) to the field between their schools Tuesday afternoon. The kids got a close-up look at the chopper after it landed. Earlier in the day, students at Westmore Oaks Elementary School received a visit. The event, co-sponsored by the school district and the West Sacramento Police Dept., included an anti-drug and anti-gang message for the kids as part of "Red Ribbon Week" in West Sacramento.

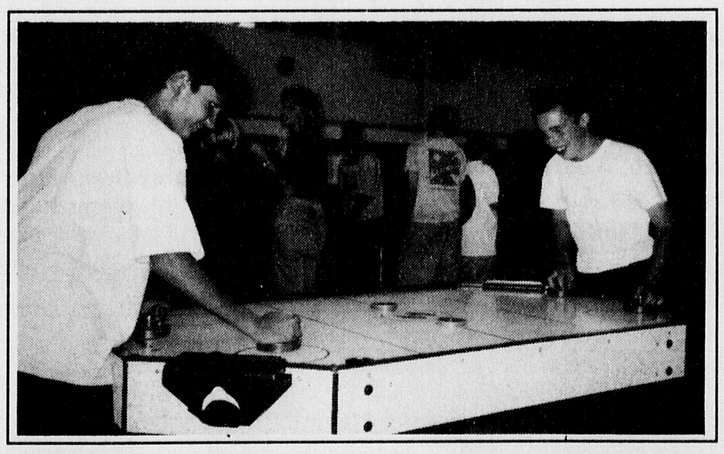
West Sac's new 'Second Mile' club holds pizza 'pig-out'

By Daryl Fisher

Last Friday night, from 9:30 to 11:30 p.m., West Sacramento's Second Mile Club held its first Post-Pigskin Pizza Pigout at the River City High School cafeteria following the varsity football game. There was pizza and soda for everyone, plus raffles, air hockey, ping pong, music, videos, and much more.

Don Bosley, the director of Second Mile, which is one of dozens of Campus Life clubs in the Sacramento area, is hopeful that Friday night's event was just the beginning of West Sacramento's commitment to more and better recreational activities for its youth. "For much too long now," said Bosley, "teenagers in West Sacramento have had no place to go to have a good time. Our eventual goal is to have a teen center where kids can recreate and also feel free to talk about their problems. We're event orientated and everyone is more than welcome. The community has been very supportive of what we're trying to do and we're especially pleased with all the help we've received from city officials, the school district, and the police department. Everyone seems to realize just how important it is to give our teenagers the opportunity to participate in as many positive activities as possible."

Melody Stockdale, the assistant director of Second Mile, said, "We're hoping to attract about 50 young people tonight, but that's just the beginning. We've got a powder puff football tournament scheduled for December 13th and anyone who wants to participate can contact Mr. West at 375-1153. We're also going to have another pizza pigout after the Lindhurst game on November 7th. We want to reach as many of West Sacramento's teenagers as possible and we encourage anyone who wants to help to do so. For instance, tonight all the sodas were donated by NorCal, and Bel Pizza gave us a great price on the food. It's that kind of community involvement which is going to make Second Mile a big success."



A FRIENDLY GAME OF AIR HOCKEY at Second Mile pizza party

Jon West, a teacher and athletic coach at River City was one of the dozen or so adults helping to supervise the event and he said, "I've got a daughter starting high school before too long and I'm a big believer in adults doing everything they can to provide positive experiences for young people. I'm glad to help in any way I can."

The News-Ledger also asked some of the teenagers who attended the pizza pigout what they thought of the event. Shawnecee Morgan, a senior at River City, said, "I think it's a great way to help keep kids out of trouble. And it's nice to have somewhere to go to visit with your friends after the football game."

Becky Rose, a sophomore at River City, said, "Not only am I out of the house, but I'm having fun."

Alex Vasquez, also a senior at River City, said, "I just came to see what it was like. It looks pretty good. Plus I wanted to get some of that pizza. I think it's going to be something good to have in West Sac."

Finally, Sean O'Neill, a junior at River City, seemed to sum things up by saying, "This is a primo hangout!"

Anyone wishing to donate time or resources to the Second Mile Club of West Sacramento can do so by contacting Don Bosley at 37[illegible]-1153. Second Mile is a member of Campus Life and Youth For Christ Ministries.

Music, port festivities to be combined

From the West Sacramento Chamber of Commerce

Mark November 7, 8 and 9 on your calendars for a weekend of adventure and quality entertainment. Organizing committees of both PortFest '97 and the Riverbank Music Festival have joined together to bring West Sacramento top draws in both arenas. Not only are two magnificent tall ships and a sparkling Coast Guard Cutter set to dock at the Port, but a free weekend of music co-featuring Mick Martin and the Blues Rockers, the Beau Brummel's Sal Valentino with the Dukes, and other acts will make up a memorable weekend for all.

Hours for the co-sponsored event will be from 10 a.m. to 5 p.m. on both days. Parking will be provided at the port for a nominal charge of $2 per vehicle. Event coordinators are set to go rain or shine.

Sailing into the Port of Sacramento will be two tall ships -- the Lady Washington, the goodwill ambassador for the state of Washington, and a full replica of the first ship to round Cape Horn, and the Hawaiian Chieftain, a replica of a European merchant trader of the turn of the nineteenth century. Both ships will be available for public tour from 10 a.m. to 1 p.m. both days for a fee of $3 per adult, $2 for students and seniors, $1 for children under 12, or $7 per family. The public is also invited to participate in a three-hour mock battle between the boats from 2 to 5 p.m. both days for a price of $40 per adult and $25 per child under 12. There is also a Friday sunset cruise featuring the mock battle for $35 per adult and $20 for children under 12. The 110-foot US Coast Guard cutter, the Long Island, will also be at the port throughout the weekend for free public tours.

Back by popular demand, Mick Martin and the Blues Rockers will play Saturday during the headliner day of the Music Festival. They are known internationally for their jamming performances featuring both original music, as well as paying tribute to the best of blues greats. The Blues Rockers are made up of guitarist, frontman Tim Barnes, bass player Steve Schofer and drummer Jerry Banks. With early November temperatures unpredictable, it is a guarantee that Mick Martin and the Blues Rockers will definitely heat up the Port of Sacramento area!

Co-headlining with Mick Martin and the Blues Rockers will be the legendary Sal Valentino, performing with Sacramento's own group The Dukes. Valentino who was the lead singer for the 1960s chart busting group the Beau Brummels, was the fragile vibrato heard on the major mid-1960s AM hits "Laugh Laugh" and "Just A Little." Sal's voice has struck a chord with many, and continues to do so. In fact, nowadays, Valentino is sounding better than ever, and is deserving of an audience that can appreciate his obvious talents. After the break up of the Beau Brummels in 1966, Valentino was a regular headliner at the better nightclubs in the Sacramento region performing with the supergroup "Stoneground." An afternoon with Sal Valentino is not only a tribute to some of the most bewitching and enduring sounds of the 1960s, but a privileged audience with one of rock's finest voices.

Mick Martin and the Blues Rockers, and Sal Valentino with the Dukes are scheduled to perform beginning at noon on Saturday. For Sunday, event organizers are lining up some local groups of mixed sounds to bring an array of entertainment to the crowd.

School district to accept applications from those interested in filling vacant trustee seat

Write an essay, win a school board seat.

It's not quite that simple, but the Washington Unified School District has announced that it will fill the school board seat soon to be vacated by Nancy Thompson-Candee by having the board choose from interested local adults who apply by Monday, Oct. 27.

The appointment will fill the seat for the last year of the term as an alternative to holding a special election at an estimated cost of $25,000.

Interested people may submit a statement of interest of no more than 200 words length stating why they wish to serve on the board and indicating the qualifications they have to perform the duties of a school board member. These statements must be received to Dr. Dennis Kelleher, Superintendent of the Washington Unified School District, 930 West Acres Rd., West Sacramento, CA 95691 no later than 5 p.m. on Oct. 27.

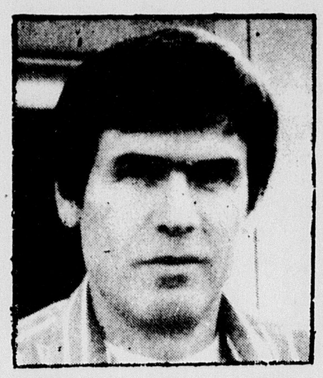
The candidate's name, address and phone number should be attached.

The board will begin discussion of their appointment process Oct. 28 and expects to fill the seat no later than Nov. 18.

Thompson-Candee will step down next month, citing a need to devote more time to family.

'Marriage Vacations' -- an idea whose time has come (?)

My Back Pages



By Daryl Fisher

Awhile back, an old army buddy of mine (I'll call him Eddie) dropped by the house for a little visit. He lives down around San Francisco and we don't get a chance to spend time with each other all that often. We've been friends for almost 30 years now and I always look forward to seeing him. We went through Basic Training together in Fort Lewis, Washington, and our rather lengthy conversations usually revolve around the good old days, when we were both young, hairless, forced to wear green underwear, and scared to death that we were going to end up in Advanced Infantry Training, which was a sure ticket to the war in Vietnam.

This time, however, Eddie brought up a subject we had never touched upon before -- marriage vacations. "Now what in the world is a marriage vacation?" I asked him with a smile, sure he was putting me on as usual.

"How long have you been married, Daryl?" he asked me.

"Not as long as you," I quickly reminded him.

"But we're both past 20 years, right?"

"Way past."

"Well," he explained with apparent sincerity, "if you ask me, I think after a guy has been married for 20 years, he deserves a little vacation, don't you?"

"I'm listening," I said, still smiling.

"I'm serious," he assured me.

"And just when did such a crazy idea first pop into that weird little mind of yours?" I asked him.

"But I don't think it's crazy at all," he said with conviction. "In fact, I think it's an idea whose time has definitely come."

"And just how would these little marriage vacations of yours work?"

"That's the beauty of it. They would be just like any other vacation a person takes. First, you'd have to earn the time off -- say at the rate of a couple of days a year."

"And how would a husband go about doing that?"

"Now marriage vacations wouldn't just be for husbands," he quickly explained. "No, I don't think that would ever fly. Wives would have to be able to qualify for one, too."

"Really?"

"Sure, why not? They have to put up with us just as much as we have to put up with them, don't they?"

"That's true."

"Anyway, the whole thing would be so simple. First, you'd have to put in the full twenty years in order to qualify."

"Why not just ten years?"

"Because the first ten years of marriage are a piece of cake. It's the next ten that are the killer."

"I see."

"But once you're fully qualified, then you'd be able to take a whole month or whatever it is completely off from being married. You could go anywhere you wanted and do anything you wanted to do -- no questions asked."

"Really?"

"That's right. You could travel, go out on dates, even...."

"Wait, wait, wait. Did you say you could go out on dates?"

"Sure. Otherwise it would be just a normal old vacation. No, I'm talking about a complete vacation from the institution of marriage."

"And you really think men and women everywhere would actually go for such an idea?"

"Of course they would. Everyone's lives revolve around their vacations, don't they? Well, I'm just suggesting that we add one more. And it would give married people something to really look forward to -- you know, a way to kind of re-energize their batteries."

"You wanna know what I think, Eddie?"

"Sure."

"I think the first marriage vacation we try to take will be about a hundred times more dangerous to our health than Vietnam ever was."

The Sports Insider

The World Series is tied a one game apiece (as of Tuesday press time) and moves to Cleveland where the weather will play a big part in deciding the new 1997 World Championship.

Forecasters expect the nighttime weather to drop to the low 30s, accompanied by gusts of wind and maybe a cold rain or two. The Marlins won the first game 7 to 4 but the Indians bounced back to take game two 6-1. The Marlins have a first in the World Series record book. Florida shortstop, Edgar Renteria, is the first player from the South America country of Colombia to play in the World Series. The Indians on the other hand have a current record holder in Marquis Grissom, who leads all players with at least 50 World Series at-bat with a .441 batting average. This will be a great series to just sit back and cheer for a seven game series!

The Raiders improved their record to 3-4 with a stunning 28-25 upset over the previously unbeaten Denver Broncos. Raiders running back Napoleon Kaufman rushed for team record 227 yards and QB Jeff George threw for a team low 96 yards. George, however, did throw two touchdown passes. Looks like last weeks bye did the Raiders some good. This week they head up North to play the Seattle Seahawks in a 1 p.m. game (ch.3). Oakland 37 - Seattle 17

The 49ers (6-1) won their game 35-28 over Atlanta, but lost the battle with 11 players showing up on the injured list for this weeks game against New Orleans. The 49ers offensive line took a beating and will be patched up on Sunday. Lucky they face the Saints and not the Cowboys, who will invade 3 Com Park in a couple of weeks!

49ers 27 - Saints 10.

How about that great Monday night game last week! Well, if you fell asleep or changed the channel, the Bills beat the Colts 9-6 and became the second game in NFL history to be played without a touchdown or turnover! Next Monday nights game, a rematch of Super Bowl XXXI - New England vs Green Bay should provide enough action to keep you awake!

The Kings (3-2) continue to win in the pre-season as they prepare to cut their roster down to 12. They travel back East to play Detroit, Indiana and Chicago before they head home for their home opener against Houston on Nov. 2.

See ya next week!!

Jr. Midget Bears improve record

From Rick Barrett
West Sac Bears

The West Sacramento Jr. Midget Bears shut-out the Rio Center Eagles this past Sunday, 33-0, improving their record to 6-1. The Bears' 5th consecutive win keeps them in a 1st place tie as they prepare for their season finale against the hard-hitting Cordova Lancers.

Mike Fonbuena opened the scoring for West Sac with a 30-yard touchdown reception from Robert Washington on the Bears' initial drive of the game, following a Dave Maldonado fumble recovery at midfield, the Bears once again drove the field, with Tony Molina running it in from the 5-yard line. Richard Alpers' kick for the P.A.T. gave the Bears the early 14-0 lead.

The Bears scored again at the beginning of the 2nd quarter as Nick Van Dyke passed 25-yards to Zeke Butcher for the touchdown. Fonbuena rudely interrupted Rio Center's next series, returning an interception 37-yards for the score and 26-0 lead.

Steven Stephens followed suit with another interception to set up the Bears' final scoring drive. Stephens followed smashing blocks from Josh Bush, Pudge Fallon and Tommy Guerra to burst off tackle, cut to the outside and sprint past the Eagles for a 64-yard scoring jaunt. Jonathan Barrett's pass to Stephens for the P.A.T. provided the final margin of victory.

The Bears' defense, led by Butcher, Washington, Anthony Hinojosa and Vitaly uzynov dominated throughout to record their 2nd consecutive shutout. West Sac's offensive line, anchored by Guerra, Bush, Maldonado, Matt Stephen and Adrian Romero, paved the way for the offense to amass 297 total yards.

OPINION

News-Ledger Editorial

Heads in the sand?

Attorney William D. Kopper, representing the West Sacramento Hotel/Motel Association, has written a letter to the mayor and city council of West Sacramento criticizing the city for its treatment of local motels and hotels, and criticizing comments in newspapers on the same topic.

Among other things, the letter calls council member Christopher Calaldon's recent proposal to raise the tax on local motel and hotel visits, and use this additional money for various improvement ideas an "anti-motel initiative." Kopper also demands that the city government "adopt a policy that there will be no further derogatory comments from City staff and City Council Members to the effect that the motels in West Sacramento are a base of operations for criminal activities including prostitution and narcotics dealing."

Kopper also quotes a comment from a News-Ledger editorial which said that some motel owners are only "too happy to rent to (and even profit from) prostitutes, drug dealers and other users." He adds that "of course, no evidence was offered to support the statement." This seems to be a clear insinuation that the News-Ledger editorial comment was wrong.

It should be borne in mind that the News-Ledger in fact made it clear that it was talking about some -- and not all -- local motel operators. It's also true that -- in the same editorial -- the News-Ledger related the true comments of one such dishonest operator. Was that not evidence?

It is not the intent of the News-Ledger to get into a written shouting match with the motel/hotel association, but the association's militant stance raises a question which will be posed here.

Does the hotel association truly believe that no significant amount of drug, prostitution or crime activity takes place in any West Sacramento motels? Yes or no?

If it believes this, a trip to the police department for a look at the crime reports will quickly prove its error. And if not, the hotel/motel association needs to reign in its lawyer for misrepresenting the association's position.

Only after we, as a community, admit to the facts, will be able to work together for a solution. And as long as the hotel/motel association continues to deny the problems existing at some local motels, the public will be inclined to find itself in opposition to all local motel operators, and not just the troublesome ones. This is fair to no one; not the honest operators, not their law-abiding tenants, and not the community of West Sacramento.

Letter's to the Editor

Chamber & Connerly. . .

How nice of Bill Fairbairn to personally respond to my letter about Ward Connerly. I've grown so accustomed to jousting with windmills (my husband calls me a cross between Don Quixote and Mr. Magoo). It's a lot more fun when someone rises to the bait.

It is a shame he was so selective about which points to debate and handily hop-scotched over my main concern which is:

"...West Sacto. still has 95% of its community development and social service grants passing under the Connerly & Assoc. umbrella. His company is instrumental in funneling taxpayers money into private business in order to accomplish the goals of various grants. If Connerly sits smugly holding hands with Wilson and playing footsie with both the City and the Chamber under the table, it just looks too cozy..."

I realize this is primarily a "conflict of interest" question for the City (not the Chamber) as they are the ones held accountable. Mr. Fairbairn pointed out that Connerly also serves on the Board of Directors for the California Chamber. That really muddies the water! This highlights the problem of the govt. using private contractors. If the City created a staff position to take over Connerly's work, it would be a definite "no-no" to serve on such a board. On the other hand, the City would lose the inside track to competing for public funds that only a Wilson crony can provide (subject to change next Nov.).

Some think it was a great feat to lure Connerly to speak in West Acto. Hardly. All through the 80s, he eagerly attended numerous community and housing board meetings all over Yolo County (networking to expand his consulting firm). He was never at a loss for words but he seemed bemused (or even bored) if the subject shifted from business matters to housing discrimination or civil rights. When he excused himself early -- I always imagined him racing home to hear the latest stock market report. I was surprised when he alter projected a public persona with such an emphasis on ideology. Granted, still waters sometimes run deep, but Connerly impresses me as a man driven by a personal agenda.

Even a wild-eyed liberal can intensely disagree with a man's political stance and still respect him as a person if his views are sincere (my own misguided husband falls into that category). In fact, with all my heart, I wish Connerly was right. It would be wonderful if we could forget Affirmative Action and just trust everyone to be fair and just. But in this imperfect world, that is like eliminating the Highway Patrol and just relying on the masses to be courteous drivers. The freeway would become a demolition derby. Anyway, enough of Connerly and back to Fairbairn.

I can only assume he had all of his fingers (and some of his toes) crossed when he said the Chamber is "politically neutral." That doesn't even pass the giggle test. Unless the practice has been discontinued, the Chamber's "Insider" newsletter routinely runs a "heads up" list of pending legislation that would impact on business, a recommended position on the bills, and which committee or lawmaker to lobby. This is a perfectly acceptable function for most private interest groups but it gets sticky when public funds become part of the mix.

Maybe it isn't all that important unless Mayor Kristoff (via a convoluted succession process outlined by the other local newspaper) moves into The Oval Office. Then, heaven help us! It would be Whitewater-West Sac style. The FBI would be swarming all over the community -- confiscating business accounts and tax reports. After spending five years and fifty million dollars, the prosecutors would probably rake up enough muck to throw half the town in jail. When they put the shackles on me -- I've decided to take the Susan MacDougal route -- cop

Parade help

The 22nd Annual Community Day Parade, "Reaching for the Stars" was a huge success -- thanks to the support of many organizations and businesses who helped financially, and to individuals who volunteered their time. The West Sacramento Chamber of Commerce gives special thanks for all the help given in planning, organizing and supporting the event. Without that help, it would not have been possible to show that our Community Spirit still reigns. The following list gives some idea of the support we received:

City issues seen by Lowell
(Edited for length)

The October 15 West Sac City Council/Redevelopment Agency meeting was held at the Bryte Elementary School, in an attempt to reach out to those in the Bryte area who find it difficult to attend City Council meetings at City Hall on Stone Blvd.

The message that our City has low-interest loans to fix up homes needing repairs was giving in English, Spanish and Russian languages. For further info, call 456-4784.

Motel association reps objected to Councilman Cabaldon's plan to scale back not only the number of motel units, but to also modify much of the frontage so as to give West Capitol Ave. a facelift showing new office and business potentials for the future. They also objected to his proposed "transit surtax" to finance most of same. Virtually all of the motels were built when West Capitol Ave. was the only way to get to and from San Francisco! But now we have I-80 and Business 80 with State Route 275 off the Tower Bridge, passing by our motels is anything but a "must" when going in either direction.

The closing of nearly all of our mental institutions about 30 years ago must have been a blessing in disguise for motels having to adjust to the dramatic loss in business. But those poor occupants pay roughly $500/month for a room with bath but with no kitchen! Only in California -- according to Gov. Pete Wilson -- have SSI recipients been able to receive a $70/month "bonus" for living in units without kitchens, making the check about $670/month. But when the SSI recipient pays $520/month motel rent, that's more than 75% of one's check for rent. And motels won't let SSI'ers double up and share the rent. Social Security should have such conditions checked out and deny for the entire state this rule (so SSI'ers get the same check of $600/month -- regardless of what their housing style is!) Simply put, excess rent is not an effective use of social security taxes! Local social services agencies should be encouraged by Social Security Headquarters to oversee the effectiveness with which an SSI check is being spent. (And for my motel friends who object to this message: Drop your barrier to allowing 2 SSI'ers to double up to share the rent. After all, those low-income folks lucky enough to find quarters with the Yolo County Housing Authority and like agencies are charged only 30% of their monthly check not 75%!) Remember it was the State and Federal agencies who decided to reroute the highways and probably made the purchase of several of your motels financially feasible.)

Speaking of Yolo County Housing Authority, YCHA will be building about 90 "Lighthouse Marina Replacement Housing Units at Douglass St., Cummins Way, and Lighthouse Drive.

And look for more discussion on water in the future.

WASHINGTON NEWS ITEMS

The Sacramento River registered two feet three inches U. S. gauge at the Southern Pacific bridge yesterday. Owing to the great amount of water being allowed to drain into the river at the present time from the rice fields of up-river counties, the stage of the river has raised several inches within the past two weeks.

Joseph Peltier, one of the trustees of Reclamation District No. 900, or West Sacramento, was a visitor yesterday at Westgate. Mr. Peltier takes a lively interest in the affairs of the district and whenever opportunity presents itself he doesn't hesitate to make a trip from his home in San Mateo County to West Sacramento.

James P. McAnulty is at Westgate overlooking affairs of the Central California Development Company after several days' absence in Oakland and San Francisco.

Today the dredger Mars, owned by the Olympian Dredging Company of San Francisco, was placed at work strengthening the levee of the West Sacramento District at a point fronting the Alaska Packers' Association properties near Chichory Bend. Last winter, owing to the high stage of the river, this section of the levee was eroded considerably and the work now being done by the Mars became necessary. Other sections of the levee will also be strengthened as noted in the last issue of the Independent.

Charles Powers, deputy sheriff under Sheriff Monroe and in charge of the West Sacramento Auto Camp, is improving at his home, but is now afflicted with an ulcer on one of his eyes. Last week he was troubled with kidney trouble, but has greatly improved from that condition.

Last Thursday evening, September 24th, Constable Wilson swooped down on a gambling game located at a point north of Rocky Point and arrested Wong Gee, who at that time was engaged in dealing a chuck-a-luck game. Wilson took up part of the paraphernalia used in conducting the game, but had not sufficient evidence to secure a conviction. Nevertheless when the Chinaman was brought before Judge Barry he waived all rights and pleaded guilty. Because this was his second offense committed in the same place Judge Barry fined the Oriental $150. The Chinese immediately closed his premises and crossed the bridge to Sacramento.

Jack G. Monahan of San Francisco, arrested for speeding by Officer Jacobs last Saturday, pleaded guilty by mail last Monday to Judge Barry. He was fined $10, which was paid immediately by return mail.

E. J. Pinto, a resident of Bryte who has been thoroughly enjoying himself on his motorcycle by smashing any speed records that were ever heard of between Washington and his home, was taken up by Traffic Officer Jacobs last Monday for reckless driving. When arraigned before Judge Barry he pleaded guilty and was fined $15, which he paid immediately.

J. S. Lear and Tom Dupzyk have established a plumbing shop in the rear of the Dupzyk home on Tihrd Street and have entered the business to make a living for themselves and their families. Both are competent workmen, having good strong backs and brawny arms. When business in the plumbing line is light they propose to enter into the automobile repair business, and since both of them are all-around mechanics they anticipate they will be able to get their share of the trade this side of the river as well as some from the other side.

TURKEY THIEF SHOT IN LISBON DISTRICT BY IRATE FARMER

Refusing to halt as he was fleeing from a turkey shed on the ranch of Smith and Reddell, near Lisbon, Joe Lawrence, former cook on the ranch, was fatally shot Sunday night by Geo. T. Jamison, foreman of the ranch. He died en route to Sacramento. Sheriff James W. Monroe left early today for the scene but advanced the belief that no arrest would be made.

According to the story told Sheriff Monroe by telephone by Jamison, he was attracted to the vicinity of the turkey shed by a noise and saw Lawrence, whom he did not recognize, running toward a car parked nearby. He commanded the man to halt but Lawrence only quickened his speed and Jamison opened fire with a shotgun. Lawrence fell within a few feet of his car. Jamison says that four turkeys, their feet tied ready to be carried away, were lying in the road near the car.

Lawrence, who until recently was employed as a cook on the ranch, was carried to the ranch house and Sheriff Monroe notified by telephone.

"I just shot a man I caught stealing turkeys and I guess he's done for."

"Put him in your car and make a run for the emergency hospital at Sacramento," ordered Sheriff Monroe.

Just before dying he looked up at Jamison and said: "I guess you got me, all right. I wouldn't have tried anything like this but I've been drinking pretty strong liquor and wanted money pretty bad."

After delivering the body to the Sacramento police, Jamison gave himself up but was released on his own recognizance on the order of Sheriff Monroe.

Before leaving his office for the scene of the shooting today the sheriff expressed the opinion that Jamison's version of the shooting is correct and would not hold him.

MARKSMAN IS EXONERATED FOR SHOOTING

George T. Jamison, foreman of the Smith and Redell ranch, near Lisbon, was exonerated by a coroner's jury at Sacramento in the killing of John Flores, alias Joe Lawrence, who was shot while caught in the act of stealing turkeys and died a few minutes later while being rushed to Sacramento. Coroner Jack Skelton of Sacramento County presided. It is understood that nothing further will be done.

Sheriff James W. Monroe and District Attorney George T. Kern, who, under the law would be the prosecuting officers, declared that the coroner's verdict closes the case.

The finding as officially set forth in the records reads as follows:

$6000 PER ACRE IS PRICE OF LAND IN WASHINGTON

Yesterday a deal was completed by Thomas O'Connor for an acre of land which he jointly owns with Mrs. Mary Harbinson at a price of $6000.00 per acre and a deposit of sufficient size was made in the deal to insure the sale of the property.

The piece of land is located on the highway at the foot of Fifth Street and west of the present roadway. The land is vacant for the time being, but it is understood by Mr. O'Connor that it will be used by the new purchaser for business purposes.

When the State highway is built from the new subway to the M Street bridge this piece of land will be an advantageous corner, because it will not only be convenient to the new State highway but it will be on the roadway now being used as a highway through the town of Washington.

The Independent could not secure the name of the purchaser, but certainly the desirability of the property is exemplified in the price paid for the land.

From what the Independent understands, the piece of land will be used for commercial purposes, either as a service station or as a hotel site with stores and other accommodations.

Several years ago the property closer to Sacramento, the Reed orchard property, was sold for $1000.00 per acre, and at that time it was believed that price was a substantial one.

The price obtained by Mr. O'Connor for this piece of land sets a new record in land values at this side of the river.

DUCK SEASON OPENS WITH MANY GOOD BAGS RETURNED

Wednesday night and early Thursday morning, October 1st, many local sportsmen went out in the duck ponds after the feathered tribe.

Needless to say that the boys of this section brought home good bags on the first day of the season. The ducks are fat and heavy and are well fed and were not afraid of the huntsmen on the first day's running.

Thousands of Sacramento sportsmen and other sections of the State took advantage of the gun clubs established in northern counties, but their returns were not so fortunate.

Those who frequented the rice fields brought home good bags of ducks, but rice growers are a little cranky because some hunters break down the standing rice when going after their kills.

Local hunters in Washington did not forget that the office of the Independent is always open for little returns of that kind.

ANOTHER CANNED HEAT VICTIM FOUND IN RIVER

Mystery surrounds the death of a man whose body was found in the Sacramento river below the M Street bridge. The body was discovered by transients, who notified Constable Frank Wilson. Wilson immediately called Coroner Ross Wilson, who sent for the body. He had not determined the identity of the dead man.

Coroner Ross C. Wilson Wednesday recovered the body of a one-legged itinerant from the Yolo side of the Sacramento river near the M Street bridge. The discovery of the body was reported to Constable Frank Wilson of Broderick, who in turn called Wilson. There was nothing on the man to identify him. His general appearance and dress indicated he was one of the Broderick jungle men. Constable Wilson stated he had run the fellow out of Broderick several times of late.

RAPID PROGRESS IS BEING MADE ON NEW SUBWAY UNDER TRACKS

The steam shovel that had been digging the subway under the tracks of the Sacramento Northern Railway in West Sacramento completed its work yesterday and was moved away today.

During the past week piling had been driven at the subway site to support the tracks of the railroad until the new concrete subway is completed.

On the southern side of the railroad embankment the steam shovel also excavated a grade for the roadway that is about to be built. The excavated material was moved by trucks to the borrow pit on the northern side of the railroad embankment, and that with the material excavated from the embankment was sufficient to raise the grade to the proper elevation from the subway to Fifth Street.

On completion of this excavation work the contractors, Lord & Bishop of Napa, will start building the subway designed by the State Highway Commission, and in all likelihood the roadway will be completed from the State Highway in West Sacramento to Fifth Street within the next month.

The contract for the road from Fifth Street eastward to the M Street bridge has not yet been let by the State Highway Commission. Here it will be necessary to make a large fill in the borrow pit north of the railroad embankment.

It is understood that this fill will be done through the medium of a suction dredger that is about to be placed in the river.

Condemnation proceedings have been entered by the State Highway Commission against the owners of the property, T. L. O'Connor and Mary Harbinson, for that portion of their property that will be required for the roadbed and immediately outside the right-of-way of the railroad company.

PROBATE ASKED FOR WILL OF JOSEPH SHAW BY WIFE

Woodland, Sept. 30.—Application for probate of the will of Ralph Shaw of Broderick, who died September 23rd, indicates that he left an estate of real estate and personal property valued at about $20,000.

The estate, according to the provisions of his will, which was drawn on October 17, 1921, is left to his widow, who is also named executrix. The will sets forth that the share of the two children of the couple, Ralph Shaw, who resides with his mother at 520 Second Street, Broderick, and Mabel Inez Shaw of Eldridge, shall be decided by Mrs. Eva E. Shaw, the widow.

AUTO ACCIDENT RESULTS IN INJURIES TO WOMEN AND CHILD

Three persons were injured, including a 3-year-old child, when an automobile owned and driven by S. J. Ritchie of Concord crashed into a lineup of cars near Hart's service station, about a mile and a half out of Broderick, late Sunday afternoon. The injured were taken to their homes in Sacramento.

According to State Traffic Officer H. R. Jacobs, who arrived at the scene within a few minutes after the accident happened, most of the witnesses blamed John Franzoia, 1622 V Street, Sacramento, who is said to have been filling his gas tank at the service station and suddenly pulled out into the road without warning.

The injured were:

Mrs. A. E. Springer, 818 G Street, Sacramento. Back wrenched; cut by flying glass.

Mrs. Verda Page, same address, cut by flying glass.

Anne Page, Mrs. Page's 3-year-old daughter; slightly cut by flying glass.

As Franzoia pulled into the road from the service station, S. J. Ritchie of Concord, who was driving a heavy car, swerved aside to avoid striking him and struck a stage driven by E. M. Casinelli. The collision with the stage threw Ritchie's car against one driven by J. M. Bryan of the Moeller Auto Sales, Sacramento. The force of the impact turned Bryan's car, in which the two women and child were riding, into a ditch.

Glass flew in all directions as the car went over. Ritchie managed to bring his car to a stop.

The injured persons were given first aid at the service station and then taken to Sacramento. It was said that the condition of Mrs. Springer is serious.

Although witnesses agreed that Franzoia was entirely to blame for the accident he was not held. Ritchie said that he was coming along at a moderate speed when Franzoia pulled directly in front of him from the service station at the side of the road. He swerved quickly, but the stage

BOOSTER'S CLUB AIMS TO CLEAN UP CONDITIONS ON RIVER LEVEE

At the meeting of the Washington Boosters' Club last Tuesday evening it was resolved that the club would make another endeavor to clean up conditions on the river levee between the S. P. bridge and the M Street bridge.

Members of the club acknowledged that Sheriff Monroe and Constable Wilson were doing everything in their power to relieve the situation, but they acknowledge that no sooner was a clean-up made by those officers than more derelicts were driven across the river by the police force in Sacramento.

The class of people who resort to the joints or narcotic haunts on the river levee came from Sacramento, and it was advanced by members of the club that not a single person from Washington was among them.

Some time ago a committee was appointed to make the clean-up. At the head of this committee Ray Peak was named chairman, and he was again requested last Tuesday evening to get his committee at work again in an endeavor to relieve the situation.

No report had been received by the club concerning the building of more shanties in and around the town. At a previous meeting advice had been given that it was the intention of a property owner to build a number of these shanties on a vacant lot next the Community Church and fronting on the public school building and on the highway running westward.

Considerable discussion was brought about by the presence of Thomas Slaven, who advanced the idea that the Sacramento Bee was doing everything in its endeavor to prevent gambling in the town.

It was shown, however, that no gambling is being conducted within the town limits at the present time, or at least there was no Chinese gambling within the town limits.

Joe Pereira was present at the meeting of the club last Tuesday night for the first time in several months, and reported that Mrs. Pereira is gradually improving in health at Nevada City.

WATER MAINS INSTALLED THROUGHOUT WESTGATE AND HOMES CONNECTED

All new water mains have been installed in the Westgate district and plumbers are now busy connecting homes with the new water supply.

Homes that are now being built are having connections made before owners move in and a wonderful clear and pure supply of water for domestic purposes is being furnished.

Over the well and pump used for the system a house is being now constructed by the West Sacramento Company, and since the pump is automatic there will be no shortage at any time through negligence.

The water mains are supplied by a pressure system and a regular pressure of about thirty pounds to the square inch will be maintained at all times.

The well supplying water to the mains for Westgate was sunk to a depth of 800 feet and was cased nearly the entire distance so that there will be no chance for surface water or alkali water to get into the water mains.

As a matter of fact, the casing of this well was doubled with a lining of concrete between so that it is absolutely safe from contamination.

Tests made of the water by the University of California show that it is eminently suitable for domestic purposes.

The film board of the Federated Women's Councils is not going to post any more bulletins.
They might be doing worse.

Celebrating 25 years of community clinics —

From CommuniCare Health Centers

In 1972, local physician Dr. John H. Jones started something great when he founded the Davis Free Clinic. One quarter of a century later, his vision of quality health care for everyone, regardless of ability to pay has expanded to four community clinics now known collectively as CommuniCare Health Centers. They include Peterson Clinic in Woodland, John H. Jones Community Clinic and Salud Clinic in West Sacramento along with the original Davis Community Clinic.

On November 1, there will be a special event held at Woodland's beautifully restored historic Hotel Woodland to celebrate CommuniCare's 25 years of successfully serving the health care needs of Yolo County's low income residents. The "Silver Celebration" will be an elegant evening of gourmet hors d'ouevres donated by 16 local restaurants and markets served to compliment attendees' choice of cocktails as they peruse the items offered for auction.

It will also be a sing-a-long affair reminiscent of the old piano bar days with Dick Brunelle and John Day playing scores from wonderful Broadway shows of the past.

But the best will be those auction items among which will be an extraordinary array of fine wines. Last August, he proprietor and winemaker for Fiddlehead Cellars, Kathy Joseph, sent letters to her peers throughout West Coast wineries in California, Oregon and Washington requesting donations. A connoisseur of fine wines, Kathy expressed the desire to develop an extraordinary chance for attendees to purchase older vintages, collectors and library bottles, vertical selections, winemaker's dinner, private tours and tastings. The result was terrific! Fifty wineries responded with some outstanding wines that will be offered at both the silent and live auctions. Kathy will be conducting the live auction for the wines which promises to present another unique opportunity for attendees to ask questions about the selections from a knowledgeable source.

However, while the wine auction will present a spectacular selection, there are many other wonderful items to be offered for both the silent and live bidding. Over 75 local businesses and individuals have donated such great items as vacation home use in Lake Tahoe (one on the lake, the other a ski cabin in Tahoe City), Lake Almanor, Ashland, and Sea Ranch, a custom commissioned quilt, romantic trips to the Shakespeare Festival in Oregon, Disneyland, and the Santa Barbara wine country, fine art, financial services, bird hunting trip on a private preserve, a bicycle by Specialized, clothes, dinners, massages, personal photography sessions, and ceramic creations as well as gift certificates and many other small and large items. Other than the win bidding, 4th District Yolo County Supervisor, Dave Rosenberg will conduct the rest of the live auction while Davis resident, Bob Bowen, will act as the evening's Master of Ceremonies.

Sponsors include First Northern Bank, Teichert Aggregates, Davis Texaco, Unger Construction Company, PG&E Properties, Melinda and Don Moore, Davis CPA Virgil Smith, the Law Offices of Steven C. Sabbadini, financial consultant Chuck Ebersole, the Ullrich Delevati, CPAs -- James G. Engstrom have all become Silver Sponsors underwriting the cost of the event. Due to their collective generosity, every dollar spent -- every ticket sold, every auction item purchased -- will go directly toward the clinics' cost of providing care to those in need.

Tickets are $25 each and available at Strelitzia Flower Company in Davis and Woodland as well as the West Sacramento Chamber of Commerce. Call 758-1510, X 1204 for more information.
